

2020 WILD SUMMER SHOW

Turn on your creativity to help us

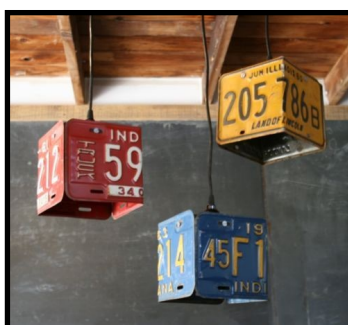

"LIGHT UP THE GALLERY"

All Simpson County Artists (professional, amateur, youth) and members of the Simpson County Guild of Artists and Craftsmen are invited to participate. Create a new work using old lamps as your canvas or create a new lamp from any items you choose.

Each artist is responsible for selecting their lamp or materials. It can be any type of lamp and any size (just make sure it works). You may use any medium to enhance your lamp (just make sure it isn't a fire hazard).

*Get creative, use unique techniques, but most importantly, **HAVE FUN!***
